

Privacy policy

Basic

This privacy policy is intended to inform the users of this website about the nature, scope and purpose of the collection and use of personal data by the website operator [insert your contact details].

The website operator takes your privacy very seriously and treats your personal data confidentially and in accordance with the statutory provisions. As new technologies and the continuous development of this website may result in changes to this privacy policy, we recommend that you read through the privacy policy again at regular intervals.

Definitions of the terms used (e.g. "personal data" or "processing") can be found in Art. 4 DSGVO.

Access data

We, the website operator or page provider, collect data about accesses to the website on the basis of our legitimate interest (see Art. 6 para. 1 lit. f. DSGVO) and store them as "server log files" on the website server. The following data is logged in this way:

- Visited website
- Time at the time of access
- Amount of data sent in bytes
- Source/reference from which you came to the site
- Browser used
- Operating system used
- IP address used

The server log files are stored for a maximum of 7 days and then deleted. The data is stored for security reasons, e.g. to be able to clarify cases of abuse. If data must be retained for evidentiary reasons, it is exempt from deletion until the incident has been finally clarified.

Reach measurement & cookies

This website uses cookies for pseudonymized range measurement, which are transmitted to the user's browser either by our server or the server of a third party. Cookies are small files that are stored on your terminal device. Your browser accesses these files. The use of cookies increases the user-friendliness and security of this website.

If you do not want cookies to be stored on your end device for range measurement, you can object to the use of these files here:

- Cookie deactivation page of the network advertising initiative:

Popular browsers offer the setting option to not allow cookies. Note: It is not guaranteed that you will be able to access all functions of this website without restrictions if you set the appropriate preferences.

Collection and processing of personal data

The website operator collects, uses and discloses your personal data only if this is permitted by law or if you consent to the collection of such data.

Personal data is any information that can be used to identify you and can be traced back to you - for example, your name, e-mail address and telephone number.

You can also visit this website without providing any personal information. However, in order to improve our online services, we store (without personal reference) your access data to this website. This access data includes, for example, the file you requested or the name of your Internet provider. By anonymizing the data, it is not possible to draw conclusions about your person.

- We process personal data such as first name, last name, IP address, e-mail address, place of residence, postal code and content information from the contact form.
- We process personal data only with the express permission of the users concerned and in compliance with the applicable data protection regulations.
- Personal data is processed on the basis of our legitimate interest in fulfilling our contractually agreed services and optimizing our online offering.

Handling of contact data

If you contact us as the website operator through the contact options offered, your details will be stored so that we can use them to process and respond to your request. This data will not be passed on to third parties without your consent.

Dealing with comments and contributions

If you leave a contribution or comment on this website, your IP address will be stored. This is done on the basis of our legitimate interests within the meaning of Art. 6 para. 1 lit. f. DSGVO and serves the security of us as website operator: because if your comment violates applicable law, we can be prosecuted for it, which is why we have an interest in the identity of the comment or post author.

Rights of the user

As a user, you have the right to request free information about what personal data has been stored about you. You also have the right to have incorrect data corrected and to have your personal data processed restricted or deleted. If applicable, you may also exercise your right to data portability. If you believe that your data has been processed unlawfully, you may lodge a complaint with the relevant supervisory authority.

Deletion of data

Unless your request conflicts with a legal obligation to retain data (e.g. data retention), you have a right to have your data deleted. Data stored by us will be deleted if it is no longer required for its intended purpose and there are no legal retention periods. If deletion cannot be carried out because the data is required for permissible legal purposes, data processing will be restricted. In this case, the data will be blocked and not processed for other purposes.

Right of objection

Users of this website may exercise their right to object to the processing of their personal data at any time.

If you wish to correct, block, delete or obtain information about the personal data stored about you, or if you have any questions regarding the collection, processing or use of your personal data, or if you wish to revoke any consent you have given, please contact us at the following email address: feelthenature.info@gmail.com
